

Data protection information - Visitor data during the corona pandemic –

General

As determined by the EU General Data Protection Regulation (GDPR), we are obliged to inform you of the purpose for which our company collects, saves or forwards data. From this information you can also discover the rights you have with regard to data protection.

Responsibility for data processing

Klinikum Fulda gAG.
Pacelliallee 4, 36043 Fulda

With regard to the existing data protection law regulations, our clinic is the controller for the processing of your personal data.

Information on the recording, use, forwarding and erasure of the data as well as the legal basis

Legal basis for the processing of personal data is art. 6 para. 1d GDPR, processing is necessary in order to protect the vital interests of the data subject or of another natural person. This also includes the processing of personal data to monitor epidemics and their spread. Further legal basis is art. 6 para. 1c GDPR in association with § 1 para. 3c of the Second Directive on the Combating of the Coronavirus in the version of 15/07/2020. According to this, we are obliged to record the name, address and telephone number as well as visiting time of each visitor to enable tracing of infections. In addition, art. 6 para. 1f GDPR applies. According to this, processing is necessary for the purposes of our legitimate interests and those of our patients as well as the clinic staff.

The data collected may be used exclusively to enable the tracing of infection and are made available to the responsible healthcare authority. The contact details collected are to be provided exclusively to the responsible healthcare authority on request.

The contact data are stored in paper form and electronically for a period of **one month** and then destroyed, respectively erased in compliance with data protection law.

Information, rectification, erasure, restriction of processing and data portability

You have the right at any time to free-of-charge information regarding your saved personal details, their origin and recipient and the purpose of the data processing. This includes the
